Publication of the World Law Group 2021 Venture Capital Guide

We are pleased to announce the release of the **World Law Group 2021 Venture Capital Guide**.

This guide was prepared by the members of the Venture Capital Group of the [World Law Group](#) (WLG), a network of 59 leading independent law firms with more than 400 offices in major commercial centers worldwide, to which our Firm belongs.

The objective of this publication is to serve as a Q&A-style multi-jurisdictional guide to venture capital law in 33 countries where WLG member firms have offices. The guide intends to provide a high-level overview of the venture capital market, including key sectors, preferred investment structures, regulatory approval requirements, limitations on acquisition of control in portfolio companies, restrictions on investment, investor protection, and exits.

[Jean-Luc Soulier](#) has co-authored the chapter France of this Guide.
